Natalia Rivero

Hello there! I'm a **motion graphics and visual effects artist**. I specialize in transforming ideas into dynamic visual pieces full of movement and personality. I'm passionate about experimenting and telling stories through color, rhythm, and design.

Education

Universidad Abierta Interamericana 2021 - 2026

Animation and Visual Effects Artist

Technical learning of digital art tools for multimedia platforms and formats. From script creation, storytelling, storyboarding, and production of static and animated multimedia 2D and 3D renders.

CoderHouse 2019 - 2020

Advanced Adobe Ps and Ai

In-depth learning of the Adobe suite tools to improve and expand my knowledge and apply the best techniques in my work.

Espacio Buenos Aires 2018 - 2019

Fashion Journalism

Subjects and knowledge of social network management tools, fashion elements, and advertising management for new brands.
